## Description

Author: **Jean Comby**

Read Aloud Grade Range: **5 - Adult**

Read Alone Grade Range: **8 - Adult**

An optional resource for Sonlight 200, these books are *scheduled* in the Instructor's Guide, but not required. Recommended for students in Grades 10+.

Though (or perhaps because) published by a liberal Catholic publishing house, these volumes present one of the most balanced pictures of Western (Roman/Protestant) church history you will find.

These are church history readers-including translations of brief passages from key original documents. Indeed, there is almost as much excerpted text as there is narrative. *Christian History* magazine says, "Comby's unique approach... help(s) the reader to do history as well as read it." Volume 1 covers to the Reformation; Volume 2, Reformation until today.
